OE Windshild Washer Pumps

Designed to improve visibility.

- › Original equipment parts for simplified installation and fewer comebacks
- › Vehicle specific fit and function
- › Simplified 'plug-and-play' installation
- › Made in ISO certified facilities
- › Excellent availability and delivery

Continental offers a line of original equipment washer pumps. Our screen and headlight washer systems are designed to improve visibility and set a benchmark in terms of reliability and functionality. These systems offer a reliable solution so that failure of individual units or the entire system due to heat, frost, drying out or electric faults can be avoided.

Continental offers both mono and dual washer pumps. Mono pumps have one outlet and supply the front or rear screen with water. Two pumps are needed to supply both screens. Dual pumps can output fluid in both directions. Professional technicians and DIYers alike want the highest quality products for ease of

installation, fit, form, performance and reduced comebacks. That's exactly what they get when they choose Continental.

With Continental, every part number is application-specific to provide the genuine OE product and ensure long service life. Continental washer pumps are built in ISO/TS certified facilities and are the genuine OE replacement part. They offer OE quality, dependable performance, and competitive pricing.

Don't question the part you are installing, choose Continental OE parts.
