- Each agreement is related to 1 x RBT or RR only
- Agreements paid by Direct Debit will be committed to 36 months, with payments taken on a monthly basis (Benefits include low monthly payments, no contract (but could be retrospectively charged for completed work if cancelled before scheduled end date of contract), price agreed so is not subject to annual increase)
- Agreements for 12 months must be paid in advance in full
- A report will be made on the condition of the equipment and any rectification or maintenance requirements only free of charge legal or technical updates will be carried out. Updates that may be chargeable will only be carried out if an order number is provided, if appropriate, prior to the visit being booked.
- All parts will be charged for in the normal way, unless under warranty
- Changing of any consumable parts on any of the test equipment will only take place if authorised by an additional order number for labour and material, if appropriate
- The company reserve the right to dispatch material overnight as an alternative to attendance on site if the company deems that the ATF/ATC centre are capable of installing the defective part.
