

CLEARCONTACT™

Premium Beam Wiper Blades

CLEARCONTACT™

Premium Beam Wiper Blades

A **clear view** in any weather

- › OEM fit and quality
- › No adapters required
- › Faster installation time
- › Visibility in all weather conditions
- › Front wipers: 94+% coverage with 14 part numbers, available in 15" to 28" lengths
- › Rear wipers: 19 part numbers, available in 10" to 16" lengths

Continental ClearContact™ premium beam wiper blades provide one-step installation to make the service professional's job easier and faster. Our premium blades require no adapters and install in just seconds saving you time on the job.

Disclaimer

Copies or extracts of this catalog can only be obtained by written permission from Continental. Damage claims on the basis of data in this catalog cannot be considered. Continental reserves the right to modify the design or content of this catalog. Any references to part numbers, vehicle manufacturers, interchanges models, and other catalog data content should be used for comparison purposes only. The use of such information on invoices to the vehicle owner is not admissible. Due to the vast number of car models and spare parts from numerous vehicle manufacturers, the exact application of parts is not always feasible. Therefore, please be aware of the corresponding remarks and spare part descriptions

Solo se pueden obtener copias o extractos de este catálogo con el permiso por escrito de Continental. No se pueden considerar reclamos por daños basados en los datos de este catálogo. Continental se reserva el derecho de modificar el diseño o contenido de este catálogo. Todas las referencias a números de piezas, fabricantes de vehículos, modelos de intercambio y otros contenidos de datos del catálogo deben usarse solo con fines comparativos. No es admisible el uso de dicha información en las facturas al propietario del vehículo. Debido a la gran cantidad de modelos de automóviles y repuestos de numerosos fabricantes de vehículos, la aplicación exacta de las piezas no siempre es factible. Por lo tanto, tenga en cuenta las observaciones correspondientes y las descripciones de las piezas de repuesto.
